Product Change Notice # BE180305

Date: March 5, 2018

Re: Product Obsolescence of VI-270-%X, VE-270-%X, VI-B70-%X, VE-B70-%X DC-DC converters and all variants and configurable products which use these products.

To Our Valued Customers:

We appreciate your use of Vicor's DC-DC converters and configurable products. Our commitment to customer satisfaction is demonstrated by our notification to you of the following change.

Description:

The purpose of this notice is to inform you that these models are being obsoleted due to extremely low sales volume over the past decade. These parts are not currently active on our ordering system, but we have been supporting a few customers that continued to use the parts. At this time we are currently preparing to obsolete the parts and offer a last time buy to customers that have been purchasing the parts and would like to place an order.
